PLANNING FOR IN-PERSON MEETINGS

The board has started to discuss the topic of opening Pilgrim House to in-person meetings. There are many decisions that will have to be made. Many decisions we do make may very well change. We will continue to communicate who is discussing these topics, how choices are being made, and how membership can contribute.

At this time, we are concentrating on adopting a policy that would dictate when and under what circumstances Pilgrim House might allow members to meet at our physical location again. At Pilgrim House, it is the responsibility of the Safety Committee to propose a policy to the Board for approval.

A draft of this proposal will be emailed to the Pilgrim House membership. Please note that this is not a final document. We are trying to share what kinds of considerations are being made. If you have input on this policy or want to know how you can become more involved, please contact Dick Shelton.

Pilgrim House

We seek to carry out the principles of the Unitarian Universalist Association of churches and fellowships, with which we are affiliated. These principles affirm the worth of everyone, freedom and the right of conscience in search of truth, encouragement of one another's spiritual growth, and the wonder and mystery of the web of all life. Membership in Pilgrim House is open to everyone who is in sympathy with our purposes and principles and wants to join.

CALL FOR VOLUNTEERS

In years past, you may have seen clipboards at the front door of Pilgrim House or Committee Chairs wandering the room after a Sunday Program recruiting volunteers for their committees for the following year. Like everything else, this year we have to find a way to do it all remotely.

We are starting with a general call here in the newsletter.

The operation of Pilgrim House relies almost entirely on volunteers from the membership. While I'm sure you can expect some reaching out from Committee Chairs, we are relying more than ever on our membership actively to actively seek out these volunteer opportunities.

The Pilgrim House Committees are listed below. Even if you do not believe you have as much time as you would like to devote to a committee, we can find a place for anyone looking to help.

If you have interest in participating in the committees at any level, please contact Adam Aanerud at chair@pilgrimhouseuua.org. We will connect interested members with the Committee Chairs.

In addition to volunteers, we are also seeking leaders. Many of our existing Committee Chairs have already agreed to stay on next year, but there are a few new leadership opportunities available in the coming year. Many long-time chairs and members of those committees are still active on those or closely related committees. If you have interest in a leadership position at Pilgrim House, this is a great time to start and benefit from their collective experience.

SOCIAL ACTION

Volunteers needed for the Walk a Mile for the CSC

Mark your calendar for the Walk a Mile to support the Community Support Center

Silver View Park has been reserved for Walk a Mile on July 25. The board of the Community Support Center is planning the walk with the understanding that cancellation is possible due to COVID.

Previously it has been a fun day, walking around the lake, listening to music and visiting with others while walking.

Two years ago, the date of the last walk, PH staffed a check point. We have been asked to do this again for the walk. I am asking for 2-3 volunteers for each shift 9:45 – 12 and 11:45 – 2. I will provide chairs, you only need to bring water and hopefully it won't rain like 2 years ago!!

Please contact me if you are able to volunteer for this event. You can also walk after or before your shift.

Thank you for your consideration

Donate Unneeded COVID-19 Relief

Many of us have recently received \$1400 per person from the third round of COVID-19 relief. If you are able, consider donating some or all of your relief money to help those less fortunate.

COOKIE CART 🍪

Cookie Cart provides teenagers “with lasting and meaningful work, life and leadership skills through employment and training in urban nonprofit bakeries.”

If you are interested in supporting this organization you can order cookies on-line to pick up or be delivered. Nancy Olson currently is not planning to do deliveries. If you don't want cookies consider ordering a dozen for your friends or family, or make a donation to Cookie Cart (there's a Donate button on the website).

If you have questions, contact Nancy Olson.

VIRTUAL TOUR OF THE MINNEAPOLIS INSTITUTE OF ART

On June 20 we will have a virtual tour of the Minneapolis Institute of Art – They are asking that we stay around 30 people. That is people and not call-ins. They could add a second tour if we have the interest. So I will need to know if there is significantly more interest in this tour. Please e-mail me ASAP at membership@pilgrimhouseuua.org to let me know if you are interested.

GREAT DECISIONS AT PILGRIM HOUSE

May 6 – Persian Gulf Security

As oil prices plummet and fatigue mounts from two decades of war, policymakers are reevaluating long-held assumptions about American engagement in the Persian Gulf. Great Decisions asks whether the United States remains the dominant power in a changing region.

Our speaker will be Afsheen John Radsan, professor at Mitchell-Hamline School of law.

John was assistant general counsel at the CIA and a federal prosecutor. His government assignments included legal assistance projects in Central Asia and Russia. As a professor, he has taught courses in Chile, England, Ireland, and Turkey, plus seminars on campus tied to Cuba, Iran, and Spain. His publications and media appearances commonly relate to bringing the rule of law to American intelligence activities.

FANTASTIC PH RECORDINGS

PH is recording excellent programs from professors and experts all over the country. If you missed any of these programs, you can still partake. These recordings are available to all PH members and friends in the member area of the PH website. It's also available to visitors who ask. There is a newly created area in the PH website just for that purpose. Just send a request to pilgrimhouse@pilgrimhouseuua.org. (If there are any questions on accessing the recordings, contact, Wayne LeBlanc.) These recordings are edited and only contain program related content and comments. Here are the recordings we have so far.

QCD – HOW TO LEVERAGE YOUR CHARITABLE GIVING TO PILGRIM HOUSE!

Using Qualified Charitable Distributions (QCD), you may be able to leverage the money you donate to Pilgrim House (PH) about 30% MORE (assuming 22% Fed, & 8% Mn tax rates) without affecting your bottom line. A QCD uses your tax deferred account and moves your money straight to PH without causing you a tax hit. You must be 70½ or older to be eligible to make a QCD. In addition, for those over 72, it qualifies as part of your Required Minimum Distribution (RMD).

If you use Fidelity, just type in QCD in their search box and be directed on exactly what to do. For others, check with your tax deferred account company because the money must be sent directly to PH. If you distribute it to yourself first, you will have to pay taxes on that money. So, check out QCD!
