Our website will have the latest information. **Please complete the survey by Sunday, October 3.***

### October 3 – Bees via Zoom

Rebekah Golden is the granddaughter of Bill and Carolyn Easter. She discovered herself as an unexpected bee-lover working as an undergraduate research assistant in a bumblebee pollination behavior lab at the University of Arizona. She found that through bees, she was more in touch with the environment and world around her, and it wasn't long before she became completely mesmerized by the simplicity of the individual and how that translated into the complexity of the honeybee superorganism. Using charismatic honeybees as a gateway to the ecosystem concept, Rebekah and 2 friends started Bee & Bloom LLC in Portland, OR. Together they run an educational apiary with 16 hives & an online resource shining a light on pollinators, sustainability, and natural wellness.

Pilgrim House sponsored HopeFest again this year. There were \$300 in Pilgrim House donations. The picture show some of our attendees.

**Social Action Program:  
November 7 – Northside  
Achievement Zone –  
Sondra Samuels**

Sondra Samuels is President and CEO of the Northside Achievement Zone (NAZ) in North Minneapolis. The Northside Achievement Zone (NAZ) exists to permanently close the achievement gap and end generational poverty in North Minneapolis. Together with our partner organizations, we are walking side by side with low-income families as they put their children on a path to college.

**Social Concerns Network Winter Coat Drive has been canceled due to COVID-19 concerns and building availability.**

**Cookie Cart 🍪**

Cookie Cart provides teenagers “with lasting and meaningful work, life and leadership skills through employment and training in urban nonprofit bakeries.” If you are interested in supporting this organization you can order cookies on-line to pick up or be delivered. If you don’t want cookies, consider ordering a dozen for your friends or family, or make a donation to Cookie Cart (there’s a Donate button on the website).

Check out [cookiecart.org](http://cookiecart.org).

If you have questions, contact Nancy Olson.

**CONGREGATIONAL CARE**

We wish you all a safe and healthy season. The Congregational Care Committee thanks all that have supported our congregational family through out this very rough year. We miss our Pilgrim House friends, Judy Potter, Carolyn Easter, and James Cadwell. We have been not only able to share our grief but our memories with their families and each other. The cards, flowers, meals, rides and visits have been very much appreciated. We also are aware Karen Conradi-Jones remains in hospice and she and David are able to zoom.

Sometimes we hear “through the grapevine” of folks having short hospitalizations or medical treatments. Last year we had calling lists to check on each other during the pandemic which fell to the wayside. If you have missed seeing or hearing from someone give them a call or a text to say “Hi”. With consent...let our congregation and Congregational Care know of ways we can be supportive.

Looking forward to seeing everyone via zoom or in-person throughout the year.

Nancy Olson

**CALL FOR TECH PROGRAM VOLUNTEERS**

PH has installed equipment and established procedures to run Hybrid (Multi-platform) Programs In-House. The plan is to open PH to in-house attendance and "Zoom" the whole program at the same time. To accomplish this broadcast capability, PH currently needs a Tech person to run equipment so the facilitator and speaker can do a program without complication. The process is not terribly complicated - learning it involves use of Zoom, PowerPoint, and a few other bits, things many people already know. Consider too, existing Facilitators could learn the Tech job to help a second Facilitator who does a program. Please contact Wayne LeBlanc if you'd like to learn more.

**JOIN US FOR “CIRCLE SUPPERS” -- OR LUNCH OR BRUNCH**

We're reviving our “Circle Suppers” for small groups of Pilgrim House members and friends to share a Saturday meal. A host prepares a main dish, and participants provide a dish to pass, and/or beverages, to round out the meal.. It could be a supper -- or a group could choose to make it a brunch or lunch. This year we're suggesting that meals could be hosted at Pilgrim House or in the host's home. Group size would be up to 6 in a home, and up to 8 if held at Pilgrim House.

These gatherings have been enjoyable opportunities for us to share some fun and fellowship in the past -- and we're looking forward to providing that experience again.

To participate, just send an email to [pilgrimhouse@pilgrimhouseuua.org](mailto:pilgrimhouse@pilgrimhouseuua.org) with your responses to these items. (It's like a "virtual clipboard." 😊)

1. Name(s) of those attending
2. Indicate all Saturday dates that work for you: Oct 16, October 23, Oct 30
3. Do you have a preference for gathering at Pilgrim House -- or prefer to gather in the home of a host -- or "either"
4. Do you prefer daytime -- or evening -- or "either"
5. Would you be willing to host?

All participants must be fully vaccinated.

Upon having this information, we will form groups and send you an email with names in your group and your volunteer host. We will ask the host to contact their

group members to: (1) propose a time to meet (2) confirm whether the location will be Pilgrim House in their home (3) suggest/coordinate items for attendees to bring (such as salad, bread, side dish, dessert -- and beverages).

Looking forward to your participation!

## GREAT DECISIONS PROGRAM AT PILGRIM HOUSE

Great Decisions is a dynamic citizen education and discussion program, sponsored nationally by the Foreign Policy Association and coordinated locally by the Minnesota International Center. Speakers are informed and interesting observers of Foreign Policy affairs. We meet the first Thursday of the month at 7:00pm -- currently via Zoom -- and invite all to attend.

The purpose of Great Decisions is to educate citizens about issues of importance to American foreign policy and to provide them with the information to form opinions about the topics covered. Pilgrim House has held a Great Decisions Program since 2007. We have found Great Decisions to be a stimulating and provocative learning exercise, and we encourage others to join us.

Each year eight issues significant to the United States' role in the global community are chosen for discussion. For 2021-22 these issues are: Global Supply Chains and National Security, Persian Gulf Security Issues, Brexit and the European Union, Struggles Over the Melting Arctic, China's Role in Africa, The Korean Peninsula, Roles of International Organizations in a Global Pandemic, and The End of Globalization?

See the following article for details of our October 7 program. Hope you can join us!

October 7, 7:00pm, will be the first of our fall Great Decisions programs. The topic is chapter 1 in the booklet, Global Supply Chains and U.S. National Security. Zoom information will be sent closer to the date. I look forward to restarting and hope you can join us.

What are some of the lasting effects that the pandemic could have on global supply chains and trade?

The shutdown of global supply chains due to the Covid-19 pandemic brought to the fore an issue with the high level of global economic interdependence: what happens when one country is the main source for an item, say face masks, and then can no longer supply the item? Countries suddenly unable to meet the demand

for certain supplies are faced with growing calls for economic nationalism. What are some of the lasting effects that the pandemic could have on global supply chains and trade? How would this affect national security?

Our speaker will be Todd Lefko, one of our entertaining 'regulars'. Todd is President of the International Business Development Company, an import-export firm dealing with water purification equipment, kilns, linen, art and new technologies. He has homes in both Minnesota and Moscow, and has written more than 680 articles, which appeared weekly in *Rossiske Vesti*, the political newspaper of the Russian Presidential administration, as well as other Russian newspapers. Todd is on the editorial board for the *Russian Historical Review*, a quarterly journal, as well as being the English editor for four Russian books. Todd has worked in Russia for over 32 years. Todd has taught sociology and urban affairs at the University of Minnesota and political science, international relations, political philosophy, political campaign management, leadership and organizational development at other Minnesota colleges. He has an M.A. in Public Administration and coursework for a Ph.D. from the University of Minnesota and has studied public policy as Bush Fellow at Harvard and urban planning at the University of Manchester, England. He is one of the founders of Global Volunteers and has been their Treasurer and representative at the United Nations and serves on their Board of Trustees. Todd has also been a member of the Twin Cities Metropolitan Council, The Regional Transit Board and the Minnesota Experimental City Authority. He is currently Chairperson of the Russian-American Business and Culture Council.
